

VELVET CRUST

Freshly Made Artisan Cheesecakes

About **Velvet Crust**

Made with care. Created for happiness.

Velvet Crust is an Abu Dhabi-based artisan cheesecake brand dedicated to crafting fresh, beautifully made cheesecakes for life's sweetest moments. Every cheesecake is handcrafted with carefully selected ingredients, thoughtful preparation, and a genuine love for the craft — from the very first bite to the last.

For us, cheesecake is more than dessert. It is something to be shared, gifted, and celebrated — a delicious way to mark the moments that matter most.

Whether it's a birthday, a gathering, or simply a reason to treat yourself, Velvet Crust brings warmth and happiness to every table in Abu Dhabi.

Vision and Mission

Vision

To become the most loved artisan cheesecake brand in the UAE — bringing people together through fresh, beautifully crafted desserts and truly memorable experiences.

Mission

To create delicious artisan cheesecakes using carefully selected ingredients, thoughtful preparation, and beautiful presentation — making every single order feel special.

Our Story

Where every slice begins with passion.

Velvet Crust was born from a deep love of homemade cheesecake and the belief that food creates the most memorable moments in life.

Every cheesecake we create is a labour of love — from the perfectly pressed crust to the carefully chosen toppings. We blend the warmth of homemade baking with the quality of premium ingredients, ensuring every slice tells a story worth savouring.

We pay attention to every detail, because we believe the little things make the biggest difference. Our cheesecakes are crafted not just to taste exceptional, but to feel like a gift — to yourself and to those you love.

Sometimes, all it takes is a slice of happiness.

Why Velvet Crust

More than cheesecake.

Six reasons why Velvet Crust stands apart — from the first ingredient to the moment it arrives at your door.
